## Basic Compliance Auditing for AVS Personnel Training

This three-day duration workshop teaches basic auditing skills and techniques. No prior knowledge of auditing is required. On completion of this course, participants will understand and be able to describe in their own words:

- The purpose of auditing
- How to plan an audit
- The preparation for an audit
- The elements of an efficient and effective audit
- Three quality management systems commonly found in aerospace organizations
- **Audit methods**
- **Audit tools and techniques**
- **Audit documentation**
- Auditor roles and responsibilities
- Audit reports
- Post audit activities
- Follow up and verification of audit corrective action

**Note:** Approximately 75% of the allotted time for this training course will be dedicated to the three outcomes underlined and in bold above.

### Training Course Content

#### Day 1 - Morning

##### Introduction

Workshop Agenda  
Workshop Introduction

##### Introduction to Auditing

What is a Quality System Audit?  
Audit Purposes  
Types of Audits  
Guidelines for Auditing Quality Systems  
The “Triangle” of Commitment  
An Audit Exercise

##### Developing an Audit Program

Management of Audit Programs  
Auditing “Must Do” Requirements  
Implementing an Audit Program  
Sample Audit Plan  
Tracking Audit Results  
Successful Audit Programs  
Communication

## Quality Systems

Process and System Model  
Conceptual Framework of Quality Management Systems  
Overview of Quality Management Systems found in Aerospace  
ISO 9001:2000, ISO 9001:1994, AS9100  
ISO 9001:2000 Intent Assignment

## Auditor Characteristics, Roles & Responsibilities

Auditor Qualifications  
Realities of Auditing  
Auditor Characteristics  
Roles  
Audit Team Leader:  
Auditor

### Day 1 - Afternoon

## The Four Phases of an Audit

The Basic Audit Process  
What Auditors Look For  
Four Phases of an Audit  
Phase 1: Planning & Preparation  
*Planning Steps*  
*Purpose & Scope*  
*Individual Auditor Preparation*  
*The Evaluation Process*  
*Documentation Audit Exercise*  
*Auditing Directions*  
*Product Audits*  
*Process Audits*  
*Systems Audits*  
*Audit Styles*  
*Preparing a Process Audit Guidelist*  
*Guidelist Exercise*  
*Checking the Audit Plan*  
Phase 2: Conducting the Audit  
*Beginning the Audit – “Opening Meeting”*  
*Gathering Evidence*  
*Collecting Information*  
*The Performance Phase*  
*Perform “Systems” Audits*  
*Human Relations in Auditing*  
*12 Golden Rules of Audits*  
*Audit Role Play Exercise*

**Day 2 – Morning**

*Interview Techniques*  
*Types of Questions*  
*A Questioning Sequence*  
*Listening Skills*  
*Case Study Exercise*  
*Note Taking*  
*Audit Notes Form*  
*Notes on Flowchart*  
*Mental Cues*  
*Interviewing Exercise*

**Day 2 – Afternoon**

*Interviewing Practice*  
*Nonconformity - Definition*  
*Levels of Issues*  
*Effective Audit = Objective Evidence*  
*The Decision Process*  
*Objective Evidence Exercise*  
*Perception of “Facts”*  
*Perception Exercise*  
*Types of Audit Bias*  
*Case Study Exercise*

**Day 3 – Morning**

Phase 3: Closing the Audit  
*Closing Meeting*  
*Processing Nonconformity Findings*  
*Model for N/C Write-up*  
*Writing Tips*  
*Problem Statements*  
*Reviewing N/C Statements*  
*Audit Reporting Options*  
*Nonconformity Review*  
*Nonconformity Exercise*  
*Finishing the Audit*  
*Audit Summary Reports*

**Day 3 – Afternoon**

*Case Study Exercise*  
Phase 4: Post-Audit Follow-up  
*Post-Audit Follow-up Activities*  
*2 Stages and 5 Steps of Corrective Action*  
*Evaluating Corrective Action*

*Corrective Action Evaluation Checklist*

*Corrective Action Review Exercise*

*Management Review*

*Things to Remember*

### **Welcome to Seattle**

A twenty-minute drive from Kent, Washington, The City of Seattle is defined by air and water. The birthplace of the Boeing Airplane Company, Seattle has strong links with aviation. The Museum of Flight is a must visit for any aviation enthusiast. In the steel and glass great gallery, the history of aviation soars past, with dozens of full-size aircraft flying in formation six stories above. You can sit in the cockpit of a real SR-71 Blackbird or an F/A-18 Hornet, you can board America's first presidential jet—Air Force One, or walk through Concorde. From fly-ins to interaction with the people who made aviation history, The Museum of Flight has something for everyone. More information is available at [www.museumofflight.org](http://www.museumofflight.org).

To the west of Seattle lies The Puget Sound; to the east Lake Washington and in the middle is Lake Union. Everywhere, the focus is on the water. Odyssey, the Maritime Discovery Center, The Seattle Aquarium, the Center for Wooden Boats and the waterfall fountains of Harbor Steps linking the waterfront to First Avenue. Seattle's maritime heritage began when the Klondike Gold Rush established it as a major Pacific port in the 1890s. Fisherman's Terminal is a working commercial fishing port, the Port of Seattle is vital to marine trade, and the urban waterfront is booming with commercial, retail and tourist ventures. Ferries crossing Puget Sound and seaplanes lifting off from Lake Union support an island culture in the San Juan's and on Vashon and Bainbridge Islands. Always listed in "Most Romantic Things to do in Seattle" is taking a ferry ride. Other popular visitor attractions include:

**Seattle Waterfront** West of Pike Place Market, Seattle, WA. With a knockout view of Elliott Bay, the hub of the city brims with Northwest goods and sea fare quirk.

**Pike Place Market** 1508 Pike Pl, Seattle, WA. A very popular open-air market.

**Snoqualmie Falls** 6501 Railroad Ave SE, Snoqualmie, WA. Lesser-known falls surpass Niagara in height, with breathtaking views of the Cascade Mountains.

**Space Needle** 219 Fourth Ave N, Seattle, WA. This sleek form has become the icon for Seattle.

**Argosy Cruises** Pier 55, Suite 201, Seattle, WA. If water, a cool breeze, and captivating views are calling your name, this just might be the ticket.

**Ballard Locks** 3015 NW 54th St, Seattle, WA. A short drive from downtown, this water-bound spectacle is a great place to get the feel for Seattle's maritime life.

**Bill Speidel's Underground Tour** 608 First Ave, Seattle, WA. A tour beneath Seattle's streets reveals the city's past

**Safeco Field** 1250 1st Ave, Seattle, WA. Open-air baseball stadium.

## Training Facility Address, Map, Directions and Class Times

The *Basic Auditing for AVS Personnel* training program will be held at the Green River Community College, which is located in the Kent Business Campus Building. This three-day duration program will be scheduled on Tuesdays, Wednesdays and Thursdays. All classes will commence at 8:00am and conclude at 5:00pm. Lunch will be scheduled each day from 11:30am thru 12:30pm. Additional short breaks will be provided during the training class.

### Training Facility Address:

Green River Community College  
417 Ramsay Way Suite 112  
Kent, WA 98032

### Training Site Contact:

Director of Training  
Tel: 253-856-9595 Ext. 5022

### Parking:

Ample free parking is available next to the Kent Campus Building.

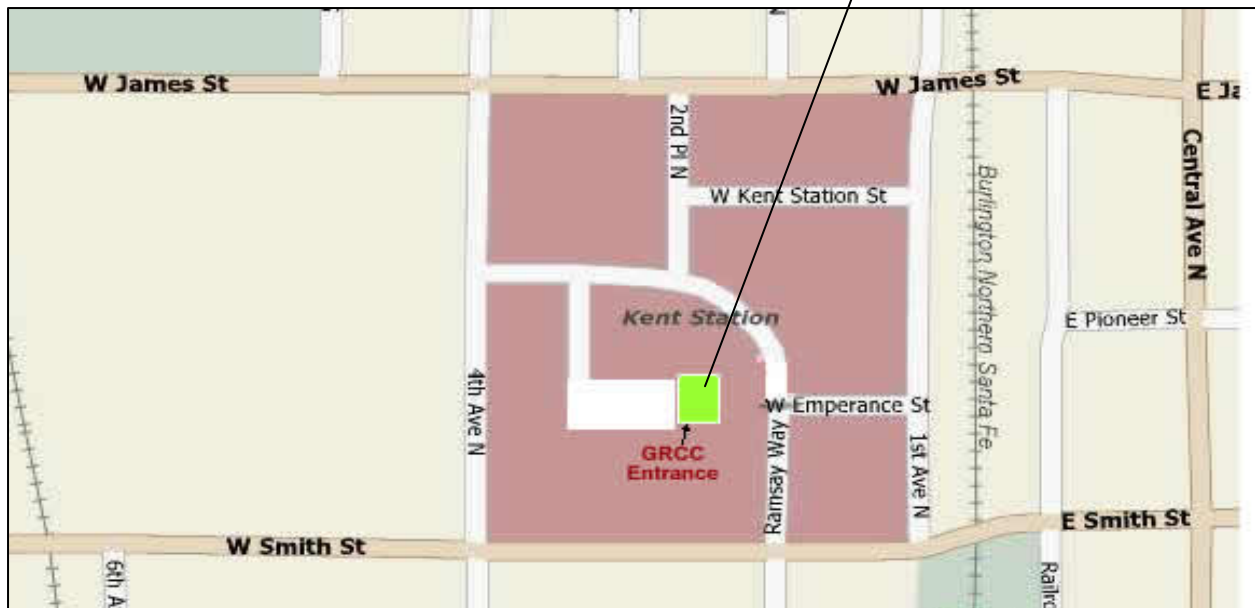

## Map and Directions:

### Southbound

1. From Highway 167, take the Willis Street exit. Take a left onto Willis Street.
2. Heading east on Willis Street, turn left (north) on 4th Avenue S.
3. Turn right on Ramsay Way.
4. Take the first right into a parking lot. Green River Community College, Kent Satellite Campus located in the Kent Station shopping complex at the far corner of the parking lot.

### Northbound

1. From Highway 167, take the Willis Street exit. Take a right onto Willis Street.
2. Heading east on Willis Street, turn left (north) on 4th Avenue S.
3. Turn right on Ramsay Way.
4. Take the first right into a parking lot. Green River Community College, Kent Satellite Campus located in the Kent Station shopping complex at the far corner of the parking lot.

## Instructor Biographies

Depending on the dates that you are scheduled to participate in the *Basic Auditing for AVS Personnel* training workshop, your instructor will be Clayton Kuehl, David J. Kinne or Mar Meyerhoefer. Biographical information for these ETI Group instructors is provided below:

### *Clayton Kuehl – Program Manager and Lead Instructor*

**Education:** - BS, Physical Science, Oregon State University, 1987

**Certifications:** - Registered ISO 9000 Lead Assessor, IRCA, 1997

- SPC, Transformation of American Industry, 1988

**Experience:**

**- Delivering Audit Training to Adults**

Presented more than 80 on-site and public training workshops for ISO 9001, AS9100 and Basic Compliance Auditing. His recent aerospace industry clients include: Columbia Helicopters, Forward Looking Infra Read (FLIR Systems) Onboard Systems and Simplex Corporation.

**- Audit Team Leader**

Led Audit Teams in approximately 100 facilities for registration and/or compliance audits to ISO 9001 and AS9100.

**- Compliance Audits in Aviation Related Organizations**

Performed ISO 9000 and/or AS9100 compliance audits in aviation related organizations, including: Columbia Helicopters, Onboard Systems, Simplex

---

### *David J. Kinne Jr. – Senior Instructor*

**Education:** - B.Sc., Biomedical Engineering, Colorado College, 1980

- MBA, Southern Illinois University, 1982

**Certifications:** - ISO 9000 Auditor, 1999, registration number US00914

**Experience:**

**- Delivering Audit Training to Adults**

Presented approximately 50 public and on-site training workshops for ISO 9000 and NQA-1 compliance auditing.

**- Audit Team Leader**

Led Audit Teams in approximately 30 organizations to audit for compliance to ISO 9000, AS9100 and NQA-1 standards.

**- Compliance Audits in Aviation Related Organizations**

Performed ISO 9000 and AS9100 compliance audits in aviation related organizations, including: Edmo Distributors, Flight Safety International, Kaiser Aluminum and Thales Aviation.

---

### ***Mar Meyerhoefer – Senior Instructor***

**Education:** - B. Sc. Manufacturing Engineering, Weber State University

**Certifications:** - British Standards Institute, Certified Lead Assessor, 1999  
- Oregon Quality Award Lead Assessor, 1994  
- AT&T - Malcolm Baldrige National Quality Award Assessor, 1993

**Experience:**

**- Delivering Audit Training to Adults**

Presented more than 50 public and on-site training workshops for ISO 9000 and AS91000 auditing.

**- Audit Team Leader**

Led Audit Teams in approximately 25 organizations auditing for compliance to ISO 9000, AS9100, AS9000 and QS-9000 standards.

**- Compliance Audits in Aviation Related Organizations**

Performed ISO 900, AS9100 and AS9000 compliance audits in aviation related organizations, including: Air-Oil Products, Artex Aircraft Supplies, Columbia Helicopters, FLIR Systems, Micropump, Onboard Systems and PECO Manufacturing.

---

## **ETI Group**

Established in 1981, ETI Group is a leading training and consulting firm specializing in Process Management and Improvement. With specific regard to prior auditing experience, the firm has:

- *Provided ISO 9000, AS9100, TS16949, NQA-1, TL 9000 and ISO 13485 training and support services for more than 1,000 organizations.*
- *Trained 100,000 people in the tools and methods of quality management/improvement, including 40,000 people in the skills and techniques of compliance auditing.*
- *Guided 450 companies through the complete ISO 9000 / AS 9100 implementation process — all passed their certification audits at the first attempt.*
- *Conducted more than 1,200 ISO 9000 / AS 9100 / QS 9000 compliance audits.*
- *Been recognized by many organizations as a primary resource for Process Management System planning, training, implementation, and auditing support.*

**A partial client list is provided below**
